CASE NO. C18-0090RSL

ORDER DENYING PLAINTIFF'S
MOTION TO FILE
OVERLENGTH BRIEF

15 This matter comes before the Court on plaintiff's request for permission to file a
16 single 48-page memorandum in opposition to the four motions to dismiss filed by
17 various defendants. Dkt. # 94. The four motions have some overlap, but, as plaintiff
18 recognizes, there are unique substantive arguments raised in each motion. A focused,
19 separate response to each is a better approach than a single, omnibus memorandum. The
20 motion for leave to file a single overlength memorandum is DENIED. Plaintiff need not
21 repeat his statement of the facts in each responsive memorandum unless necessary to
22 address the specific issues raised by the moving party.

23 Dated this 17th day of May, 2018.
